

A Safe Workplace

WorkSafe BC

WorkSafe BC's mission is to prevent workplace injury, illness, and death, and support injured workers through fair compensation and effective rehabilitation.

Health and Safety

For Health and Safety information, such as reporting a workplace injury, report unsafe work conditions, or to find resources on being safe in the workplace, visit the WorkSafe BC website, under the Health and Safety section.

Rights and Responsibilities

Everyone on the worksite has a level of accountability. WorkSafe BC has outlined the roles, rights and responsibilities for Owners, Employers, Supervisors and Workers. You can always learn more on the WorkSafe BC website, under Rights and Responsibilities.

Insurance & Claims

Who needs insurance and coverage? Learn more under the Insurance tab on the WorkSafe BC's website.

How do you submit and review claims? Learn more under the Claims tab on the WorkSafe BC's website.

COVID - 19

To access important resources about COVID-19 and other communicable diseases, check the COVID-19 tab on the WorkSafe BC's website
